## ABOUT

Rick has worked in a variety of positions and places, collecting a unique set of skills and experience along the way. A constant learner and journeyman, Rick likes to solve the hard problems and not just to find a solution, but the best solution possible.

## EXPERIENCE

### JUNIOR FULL-STACK WEB DEVELOPER

*University of New Hampshire | Durham, NH | May 2018 - December 2018*

- Designed and developed 20+ web applications using technologies such as Javascript, jQuery, MongoDB, Express, React, and Node.js.
- Used AJAX and JSON with Javascript/jQuery for request and response processing of third party API integrations.
- Built a classic platform game using Phaser, Mongo, Express, React, and Node.
- Developed an inventory management application using Node, Express, Passport.js and SQL geared towards small and mid-sized businesses.

### GENERAL MANAGER

*Sonny's Tavern | Dover, NH | November 2016 - May 2018*

- Managed and operated a full bar and restaurant grossing more than $1 million in revenue a year and responsible for seeing year-over-year growth of more than 18%.
- Trained and coordinated personnel, instilling a high standard for service and overall guest experience.
- Implemented and designed staff education courses with a focus on expanding and enhancing working knowledge of products and points of service.

### GENERAL MANAGER

*Spring House Brewing Company | Lancaster, PA | February 2016 - November 2016*

- Helped manage a 50,000 square foot facility that included a bar, restaurant, and 10,000 bbl per year brewery.
- Aided in installing more efficient and streamlined business practices that ultimately served to cut costs and expenditures.

### BUSINESS CONSULTANT

*Securus Technologies | Philadelphia, PA | July 2014 - February 2016*

- Provided inventory management and payment services to a wide variety of businesses and merchants.
- Acquired more than 100 accounts, generating more than $2,000,000 in revenue over tenure with company.

### OPERATIONS & LOGISTICS MANAGER

*DASHED | Philadelphia, PA | February 2012 - May 2014*

- Managed more than 30 couriers and worked with close to 200 partner accounts.
- While working with DASHED volume grew by a margin of 220%, and sales increased by more than 250%.
